START MEETING

A screenshot of a dark-themed web interface for starting a meeting. At the top right, there are links for 'Log in' and 'Register'. Below these, on the left side, is a blue button labeled 'START FREE'. A red arrow points upwards to this button. Underneath the button are two white input fields: the first is labeled 'Meeting ID' and the second is labeled 'Meeting Password'. At the bottom of the form is a wide blue button labeled 'START MEETING'.

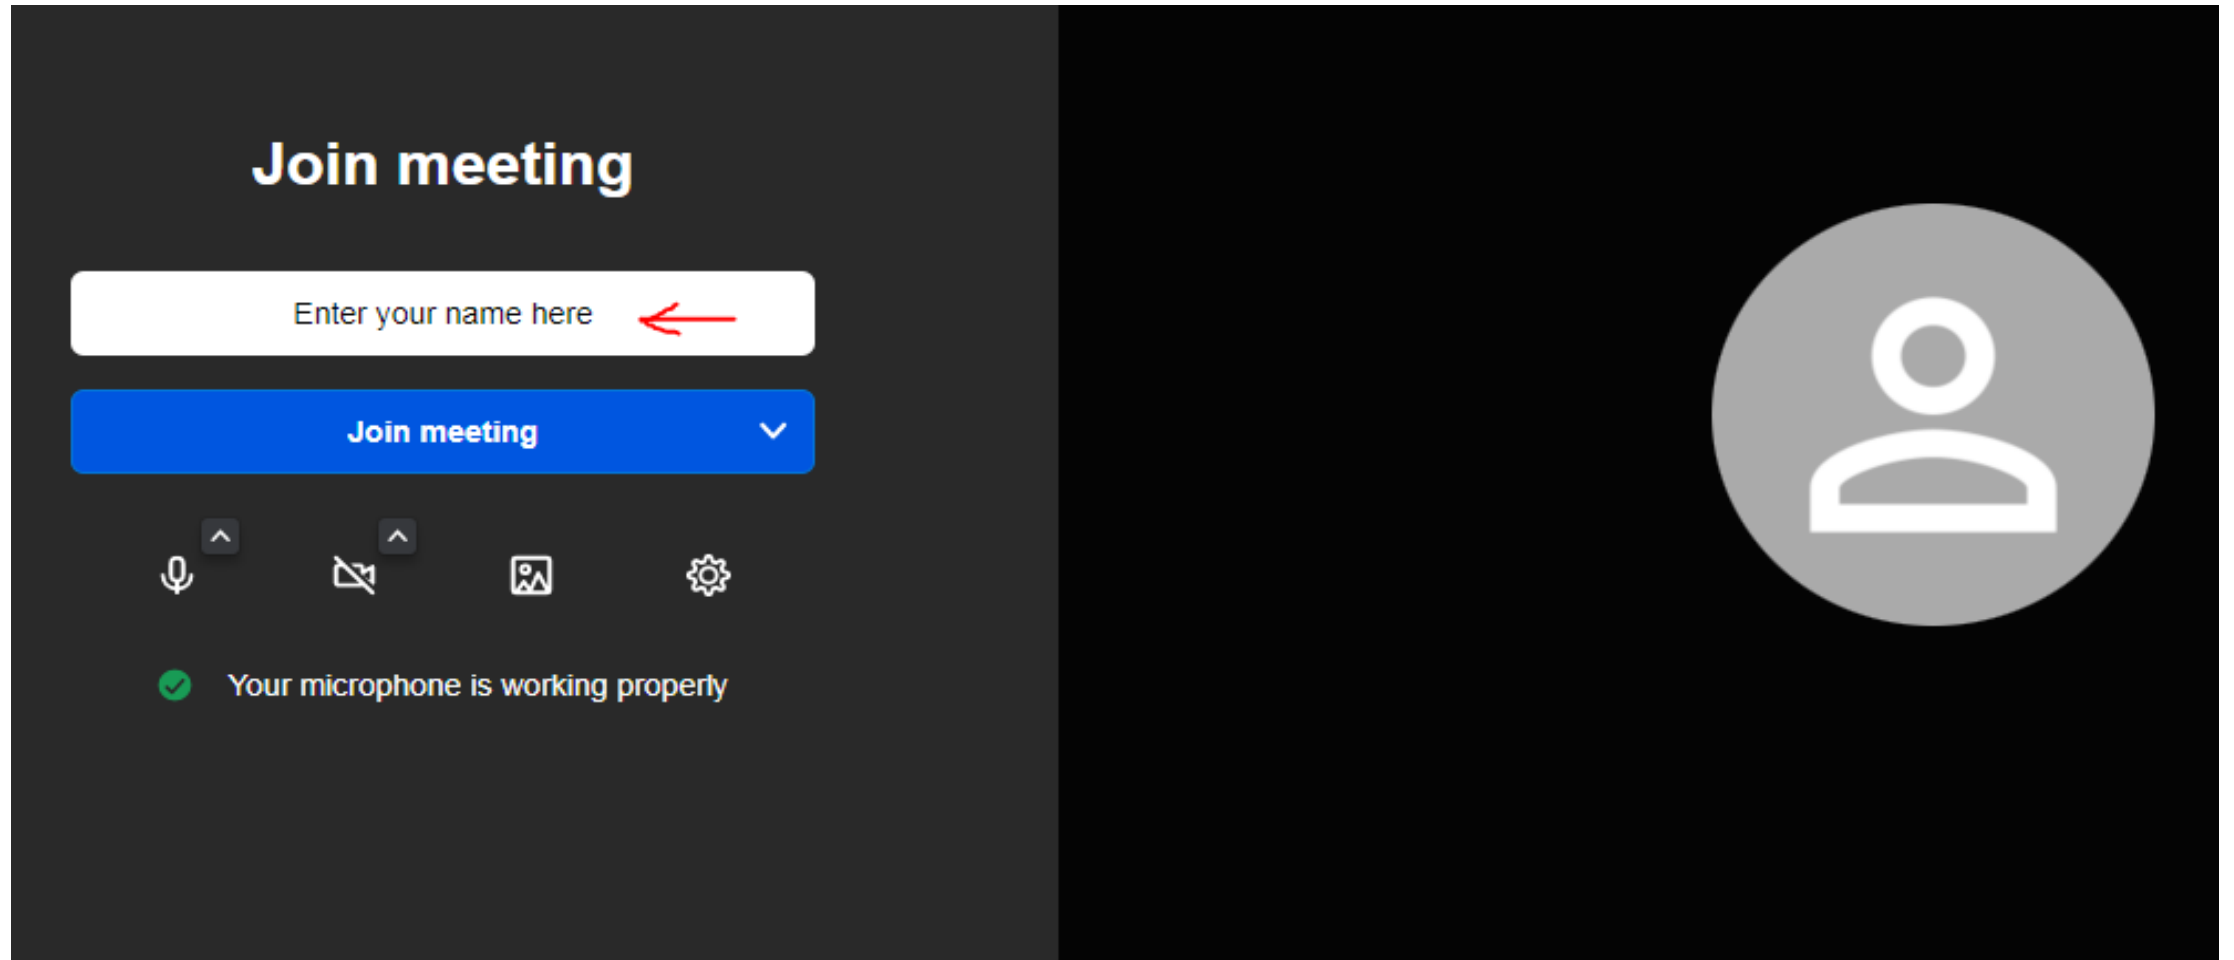

Settings: test your microphone and webcam, select your profile and menu language

Settings, More tab: select your language

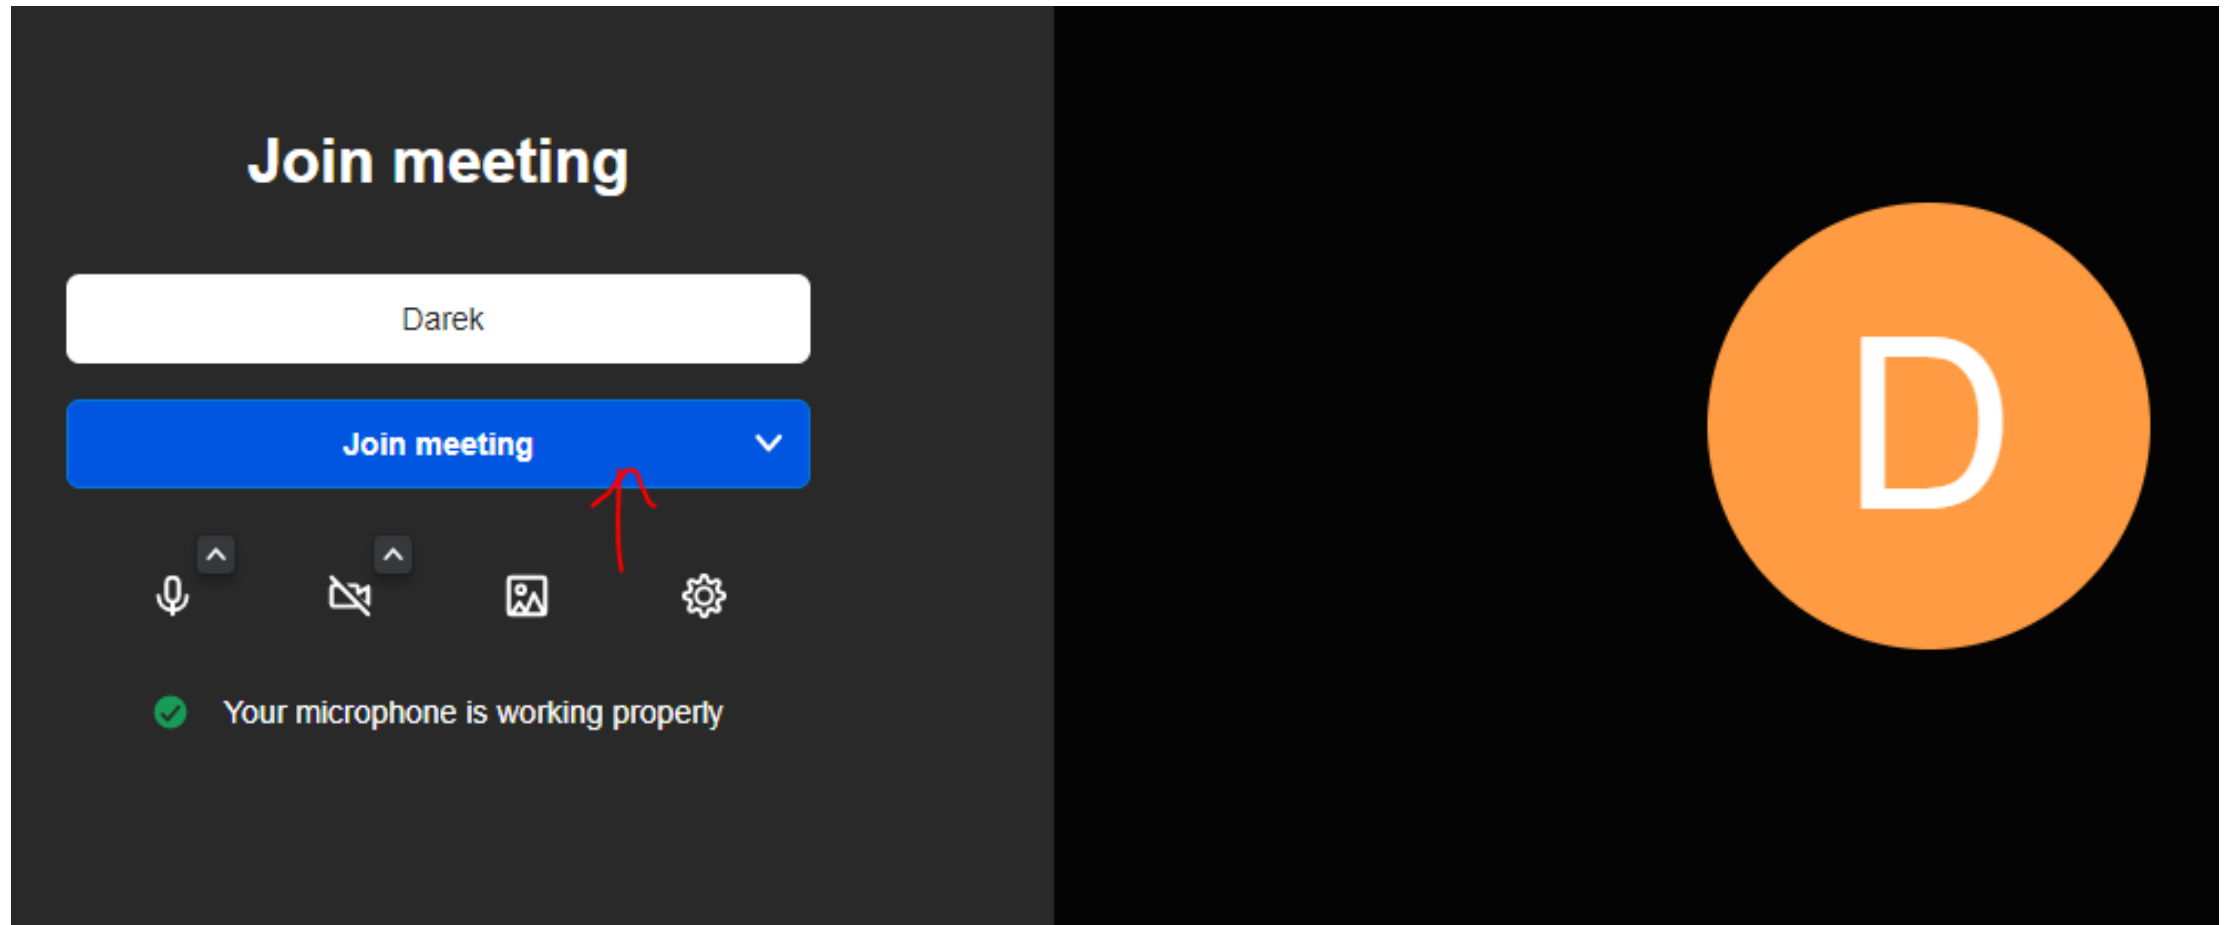

Enter your name or another name of your choice

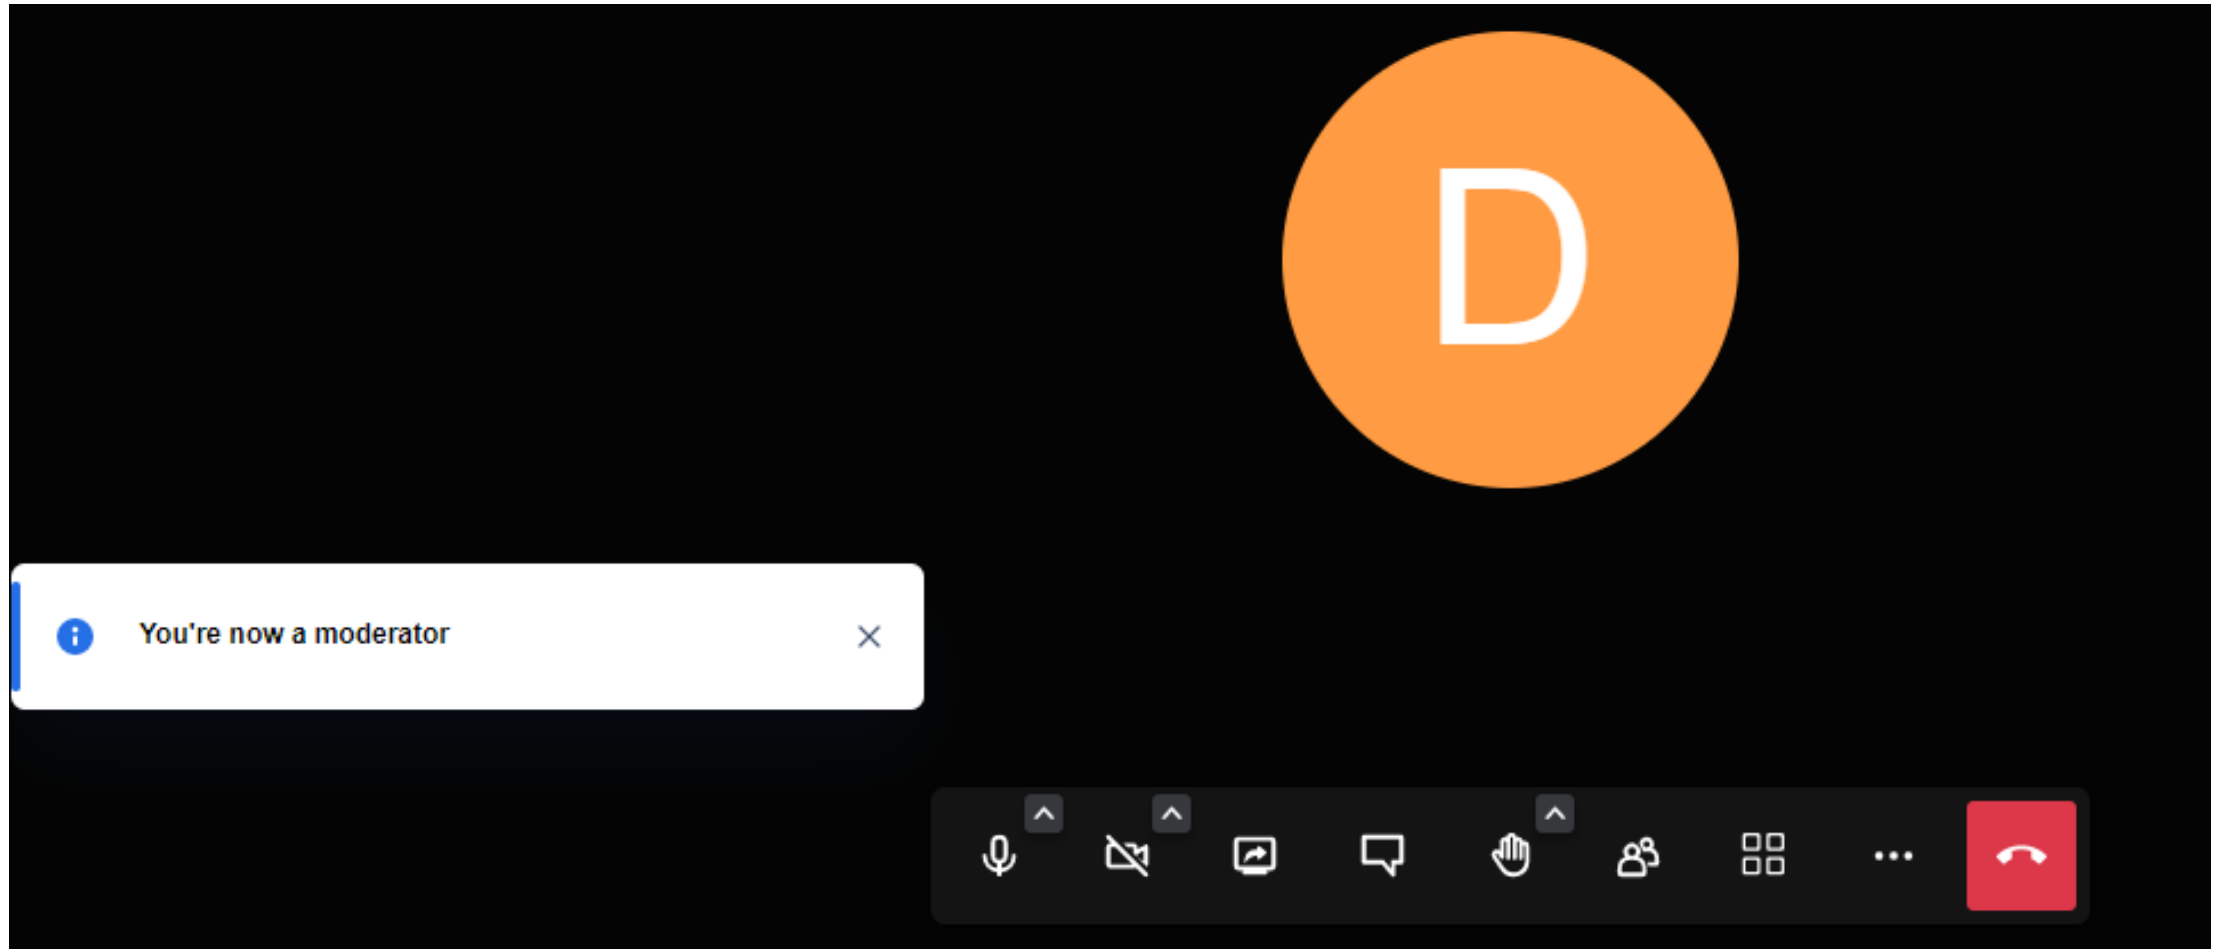

The image shows a dark-themed user interface for joining a meeting. On the left side, the text "Join meeting" is displayed in white. Below it is a white text input field containing the placeholder text "Enter your name here" and a red arrow pointing to the left. Underneath the input field is a blue button with the text "Join meeting" and a small white downward-pointing chevron icon. Below the button are four icons: a microphone with an upward arrow, a muted microphone with an upward arrow, a video camera icon, and a gear icon for settings. At the bottom left, there is a green checkmark icon followed by the text "Your microphone is working properly". On the right side of the interface, there is a large, light gray circular placeholder for a user profile picture, containing a white silhouette of a person's head and shoulders.

Feel invited, select: Join meeting

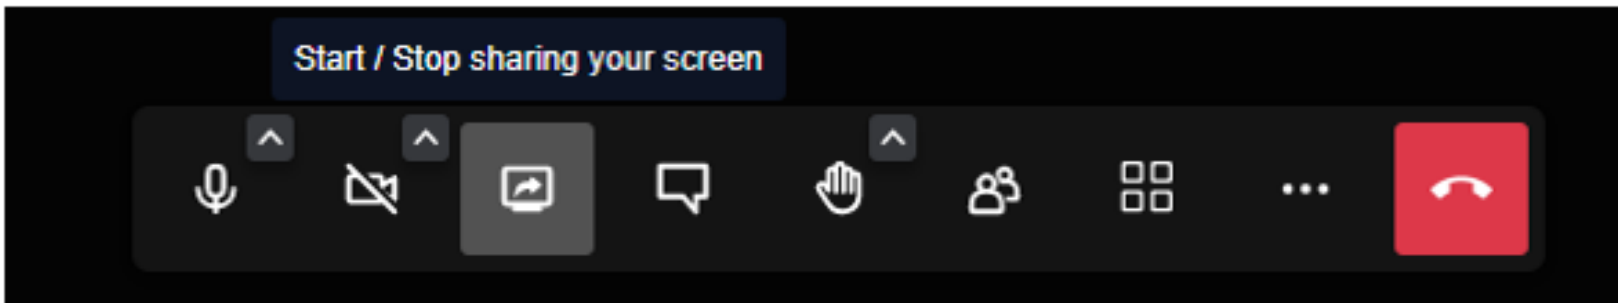

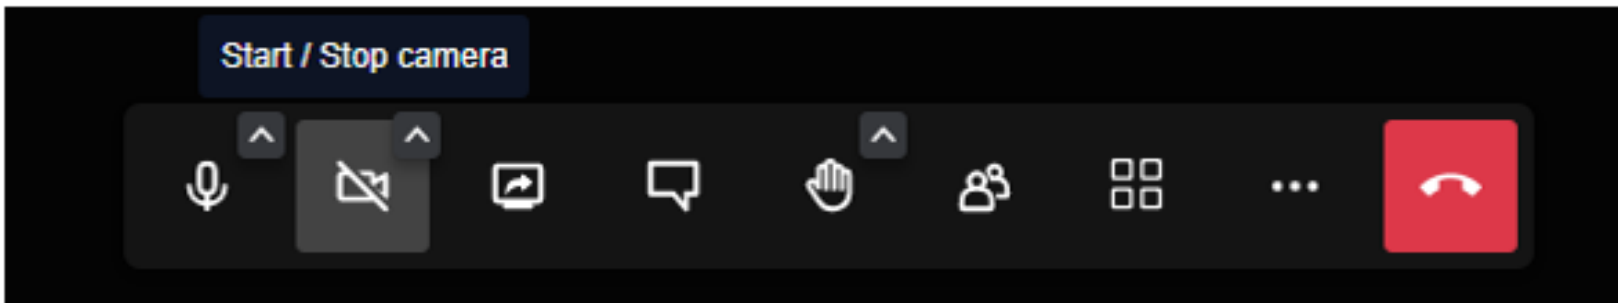

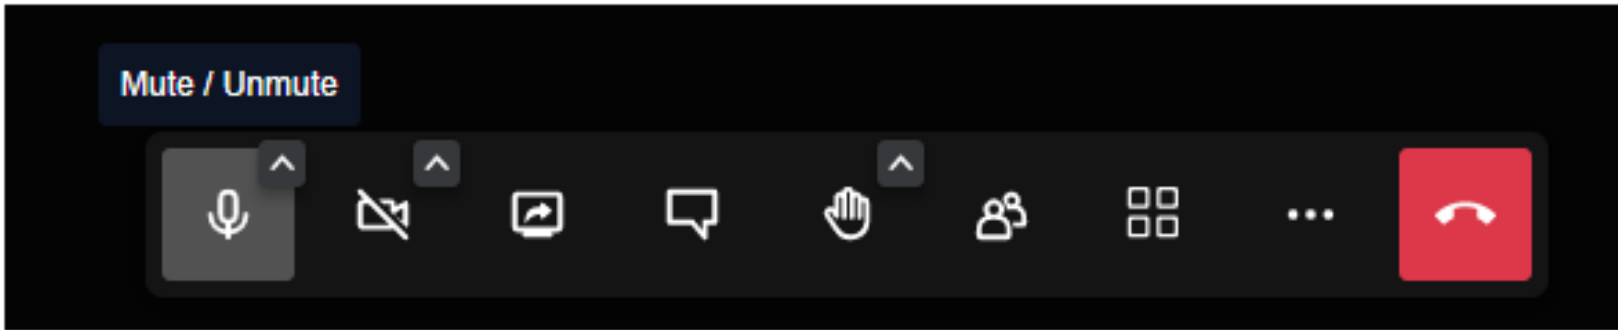

We are all moderator

Function buttons: turn on your microphone and webcam, share a file, chat, create a survey, voice ...

LOG IN

In the **free version** you can create one meeting and invite only one participants.

The paid version allows you to invite 100 participants

The screenshot displays a user interface for managing meetings. At the top left, there is a prominent green button labeled "CREATE MEETING". To the right of this button is a search bar with the placeholder text "Search". Below these elements is a table with the following columns: "ID" (with a small upward arrow icon), "Meeting Code", "Meeting Password", "Meeting Date", "Invities Emails", "Time Zone", "Start Meeting", and "Action". The table is currently empty of data rows.

Enter any selected name for your meeting, select its date and time or optionally set a code to be entered by those who will join the meeting, enter the e-mail addresses of invitees, select your time zone

WebRTC Meeting

You have been invited to join the Meeting!

Meeting ID : Darek

Meeting Date and Time : 2002-09-19 12:15

Meeting Time Zone : Europe/Warsaw

Meeting Password : 11234

[Join Meeting Now](#)

If you did not expect to receive an invitation to this team, you may discard this email.

Pricelist

1 Meeting and 100 participants

12 months = 50 USD

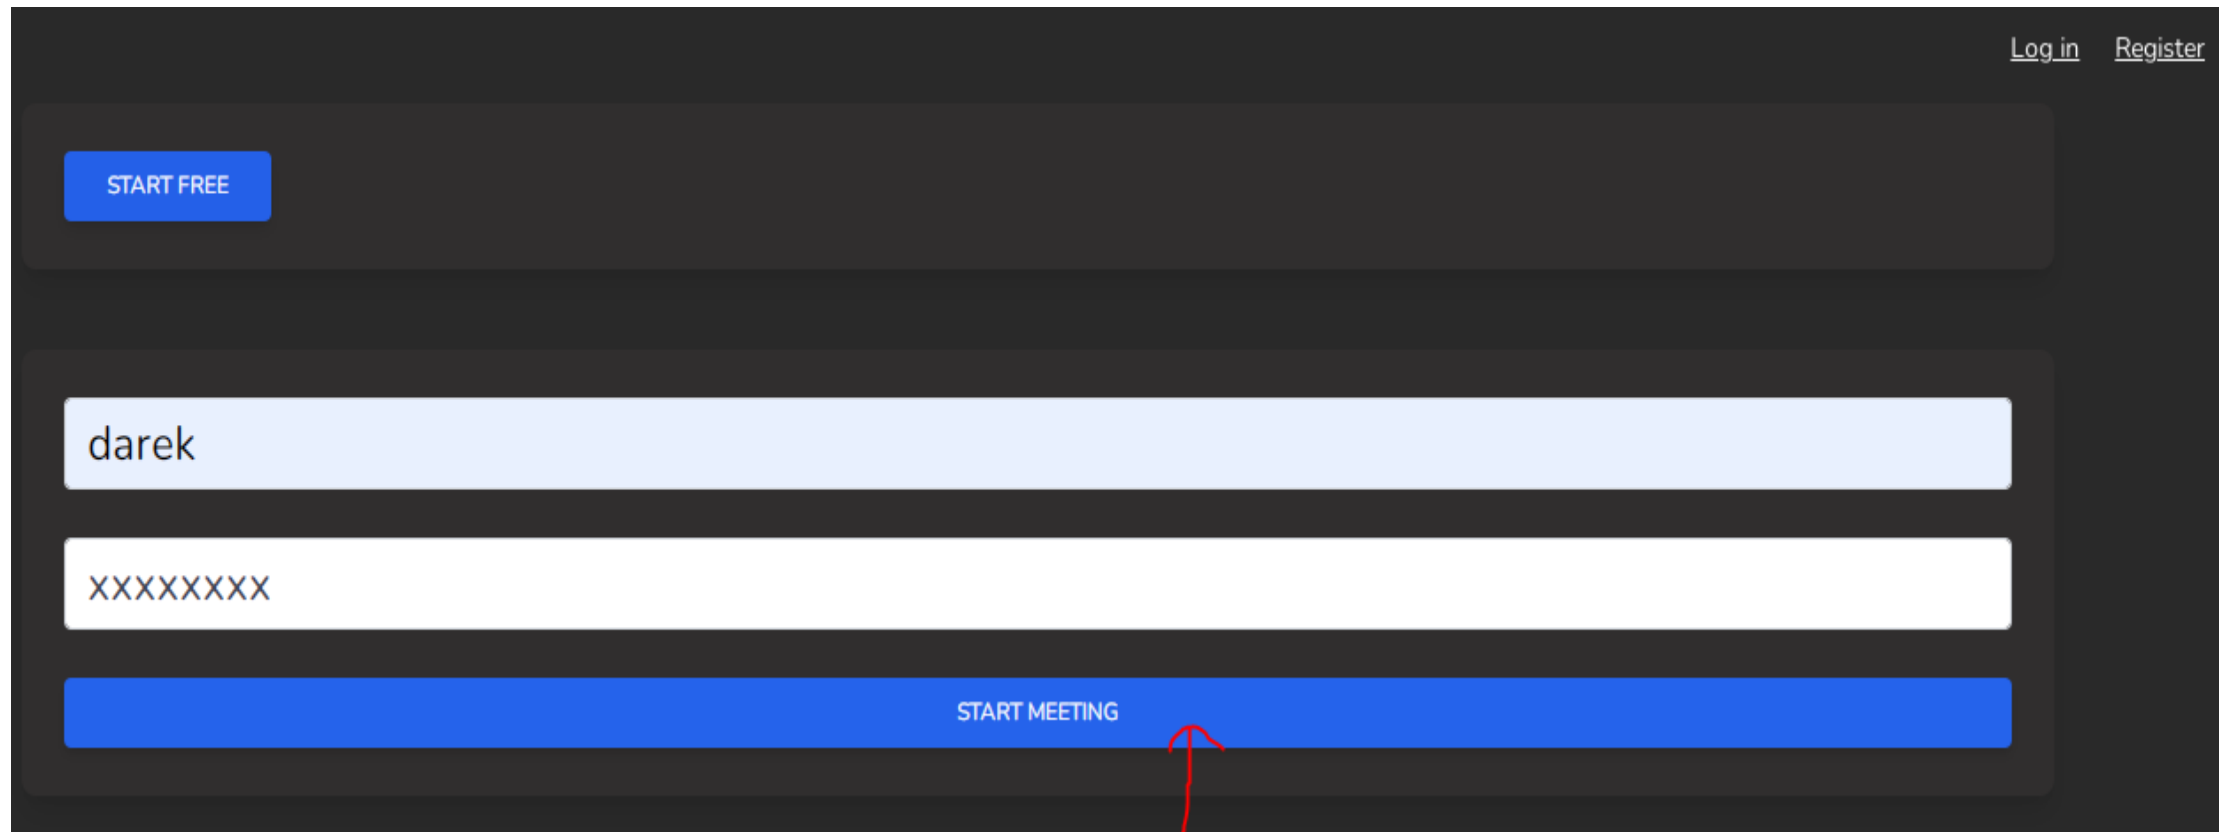

Per month = 4 USD

It is only 0.13 USD cents a day.

To allow 5 employees to organize on the same day/time 5 different meetings, each for 100 attendees, you should buy 5 subscriptions.

[Order form](#)

Once you have purchased a yearly subscription you can create meetings by entering any given username and password `xxxxxxx` assigned by the admin.

The screenshot shows a dark-themed web interface. In the top right corner, there are links for [Log in](#) and [Register](#). On the left side, there is a blue button labeled "START FREE". The main area contains a form with two input fields: the first contains the text "darek" and the second contains "XXXXXXXX". Below these fields is a large blue button labeled "START MEETING". A red hand-drawn arrow points upwards to the "START MEETING" button.

Add `</code>` lines to your website or any app to implement your own **Video Meeting** solution

```
<!doctype html>
<html>
<head>
</head>
<body>
  <div style="width: 100%; height: 600px">
    <iframe allow="camera; microphone; fullscreen; display-capture; autoplay" src="https://app.webrtc.pl/join-meeting/YourName" style="
height: 101%; width: 100%; border: 0px;"></iframe>
  </div>
</div>
</div>
</body>
```

You can activate the aforementioned code in a test mode on your computer. How to do it?

1. Copy the frame text
2. Paste it to the notepad
3. Select FILE tab and save as:
 - a) file name: WideoMeeting.html
 - b) save as type: **All Files**
 - c) coding: ANSI

Share **Video Meeting**

to your employees and business partners directly from your website to let your customers know that they interact with **your brand!**
